Experience

DOST - ADVANCE SCIENCE AND TECHNOLOGY INSTITUTE

Software Intern for NAIRA Project

Katipunan, Quezon City
September 2025 - December 2025

- UI/UX design and prototyping for NAIRA using Figma; translated designs into front-end code.
- Participated in V2X system testing under DOST-ASTI research projects.
- Collaborated with developers and researchers to align design, functionality, and testing outcomes.

K GOLD BEAUTY ESSENTIALS

Creatives Intern

Marikina City
July 2025- August 2025

- Produced and optimized engaging TikTok video content for the CEO's personal brand, utilizing CapCut to enhance visual appeal and drive platform engagement.
- Designed a range of marketing graphics and compelling product mockups to drive visual appeal and support digital campaigns..
- Developed a fully functional e-commerce website on Shopify for the Hello SuperYou business, establishing a new direct-to-consumer sales channel.

AHEAD TUTORIAL AND REVIEW CENTER

IT and Web Maintenance Intern

Katipunan, Quezon City
September 2024 - February 2025

- Designed and prototyped interactive web pages using Figma, translating wireframes and creative concepts into high-fidelity user experiences.
- Executed rigorous quality assurance (QA) testing and functionality checks within WordPress to ensure cross-browser compatibility and platform integrity.
- Drove the continuous refinement of the User Interface (UI) by proposing design and performance feedback and executing approved changes, resulting in enhanced design consistency.

FREELANCING

Research and Ghostwriter

Self-Employed
2020-2024

- Consulted and supported clients in content development, specializing in structuring complex arguments and refining drafts to enhance clarity and persuasive impact.
- Managed and executed the successful delivery of diverse client projects spanning multiple high-demand sectors, including Culinary Arts, Business Strategy, and Information Technology (IT).
- Maintained long-term client relationships by consistently delivering high-quality work and project consistency, ensuring recurring business.

Leadership and Activities

PUP PEER FACILITATORS ORGANIZATION

Annual Youth Conference Committee Member

2024-2025

Documentation and Publication Member

- Authored and maintained all official conference Meeting Minutes (MOM), while concurrently managing the production of all official publication and promotional materials for the 14th and 15th Annual Youth Conference (AYC).

Graphics Design Committee Co-Head

2024-2025

- Co-led a seven-person Graphics Design team responsible for developing all visual assets for association events, workshops, and promotional campaigns.
- Directed the visual brand strategy for the association, designing high-impact graphics that drove engagement and event attendance.
